DECLARATION AND ASSIGNMENT OF RIGHTS

In the event of non-acceptance by the EXCLI Journal this document becomes null and void.

DECLARATION

The Undersigned hereby affirm that this manuscript article represents original, unpublished material that is not under editorial consideration elsewhere, in whole or in part, and that each author has participated sufficiently in the intellectual content, analysis of data (if applicable) and writing of the manuscript to take public responsibility for it. The undersigned also attest that those individual or institutions in the acknowledgements are aware that their names appear.

ASSIGNMENT OF RIGHTS

The undersigned authors, jointly and severally, relinquish to the publisher of EXCLI Journal the enduring, non-exclusive right of use, to make or authorise reprints of the complete version of the work and all supplemental material, to reproduce the materials in other forms, to grant the material to others without charge, to give online access in an appropriate standard electronic format in at least one online repository that is supported and maintained by an academic institution, that seeks to enable open access, unrestricted distribution, inter operability, and long-term archiving using suitable technical standards (in this case Eldorado/University of Dortmund) as well as on www.excli.de.

The author keeps the right to republication in any form; he is invited to create a link to his published article in the following form: The original publication is available at www.excli.de.

The author hereby affirms that it is in his power to assign the rights detailed above and that no third party rights are thereby infringed.
